| Evening<br>(6:00 PM)<br>(Protein Shake)      | Protein Shake<br>(15 g powder in 200 ml water)                                                | Protein Shake<br>(15 g powder in 200 ml water)                                         | Protein Shake<br>(15 g powder in 200 ml water)                                                | Protein Shake<br>(15 g powder in 200 ml water)                                                 | Protein Shake<br>(15 g powder in 200 ml water)                             | Protein Shake<br>(15 g powder in 200 ml water)                                                        | Protein Shake<br>(15 g powder in 200 ml water)                                         |

- One proper meal a day — Lunch at 1:30 PM. No dinner.
- Breakfast is light; skip it if not hungry. After 6 PM only green tea / warm water.
- Drink 2.5 – 3 litres of water daily.
- Use only sendha namak. No onion, garlic, wheat, rice, besan, dal or pulses.
- Cook in little ghee / peanut oil — roast, tawa or air-fry; avoid fried pakode & puri.
- Diabetic, pregnant or on medication? Consult your doctor before fasting.
